KALINDO PROJECT

K

A new address for life in Batam.

Concept, Brand Positioning & Destination Naming

BATAM, INDONESIA

DESTINATION CONCEPT / 01

DESTINATION AMBITION

A place Batam returns to.
A destination the region discovers.

Everyday life, with a wider horizon.

Local belonging

Everyday convenience creates familiarity. A district that becomes part of life in Batam.

Regional discovery

Culinary discovery, shared experiences and hospitality give visitors more reasons to stay.

EVERYDAY LIFE ↔ REGIONAL LEISURE

DESTINATION AMBITION

Life comes together.

One visit opens into another experience.

01

A family afternoon

becomes dinner.

02

A shopping visit

becomes a catch-up.

03

A hotel stay

becomes a discovery of Batam.

04

An ordinary evening

becomes a shared celebration.

Connected places. Connected experiences.

DESTINATION AMBITION

Batam’s tropical lifestyle district.

For whom	Batam residents and regional leisure visitors.
Our proposition	Indonesian culinary discovery, curated retail, family experiences and hospitality in a walkable tropical setting, centred on The Veranda.
Our position	Middle-to-upper lifestyle: quality spaces, welcoming service and a considered range of prices.

BRAND PROMISE

More to discover.
More reasons to stay.

DESTINATION AMBITION

Everyday ease.
A day worth spending.

Take care of an everyday need. Enjoy the time around it.

Everyday convenience
Useful tenants that encourage repeat visits.

Culinary discovery
Food experiences that reward curiosity.

Gardens and terraces
Places to pause, dine and linger.

A central gathering place
Shared space with a changing calendar.

Hospitality
An invitation to extend a visit into a stay.

BRAND PLATFORM

The life between.

Life is rarely about just one thing.

We meet for coffee, but stay for lunch. We come to shop, but end up meeting friends. We bring our children to play, then sit down for dinner.

Batam is shaped by movement: between Indonesia and the region, work and leisure, local life and new experiences. The district brings those different sides of life together.

One place. Many ways to spend the day.

BRAND PLATFORM

The brand in one frame.

01 / PURPOSE

To enrich everyday life in Batam through places and experiences people share.

02 / PROMISE

More to discover. More reasons to stay.

03 / PHILOSOPHY

The Life Between

04 / EMOTIONAL BENEFIT

The freedom to spend time your way, with the people who matter.

05 / PERSONALITY

Warm. Contemporary. Confident. Sociable. Curious.

06 / EXPERIENCE LINE

One Place. Many Ways to Spend the Day.

BRAND PLATFORM

Four reasons to belong.

01

Everyday Ease

A convenient place that fits real routines.

Grocery · services · cafés · fitness · useful retail

02

Culinary Discovery

Something worth tasting and sharing.

Nusantara food · seafood · producers · chef collaborations

03

Shared Experiences

Time together with more possibilities.

The Veranda · families · markets · culture · events

04

Time to Stay

The comfort to extend a visit.

Hotel · garden dining · leisure · spa · quieter spaces

Brand pillars organise the experience story; zoning follows architectural requirements.

THE PROMENIDE

Where the district connects.

Everyday interactions become shared experiences.

Community activities. Markets. Performances. Celebrations. A connected district gives each encounter room to grow.

“The Promenide” retained from the brief; spelling to be confirmed.

THE VERANDA

The heart of the destination.

One shared place. Four ways to come together.

The flexible social heart of the district, supporting everyday gatherings and programmed occasions.

01

Everyday Veranda

Casual meetings, comfortable seating and cafés.

02

Market Veranda

Curated food, local makers and lifestyle markets.

03

Evening Veranda

Dining, intimate performances and social gatherings.

04

Celebration Veranda

Cultural occasions, seasonal events and destination programming.

Proposed modes of use. Keep circulation and surrounding tenants accessible; the court is not a permanent event venue.

DESTINATION EXPERIENCE

Connected places. Different rhythms.

The spatial experience

Arrival Garden

A welcoming entrance with clear orientation.

Pedestrian Promenades

Comfortable connections between tenants, activities and levels.

Garden Terraces

Places to pause, dine and observe district life.

The Veranda

The shared gathering place and event setting.

Hospitality & Retreat Spaces

A quieter layer for guests to stay and unwind.

Conceptual relationship diagram, not a site plan or to scale. Based on the brief and supplied spatial overlay; routes and privacy buffers require architectural coordination.

DESTINATION EXPERIENCE

Comfort makes the experience possible.

The tropical character comes from how a visit feels.

01

Covered connections

Protect essential journeys.

02

Shade & air movement

Support comfortable walking and seating.

03

Vertical access

Connect the different levels clearly.

04

Family facilities

Make longer visits easier.

05

Evening lighting

Create an inviting atmosphere.

06

Rain alternatives

Give events a workable wet-weather plan.

Design requirements for architectural validation. Building comfort and performance are not verified.

AUDIENCE & VISITOR JOURNEYS

Local life builds the foundation. Regional leisure extends the opportunity.

01

Batam families

Easy, enjoyable time together.

Family activities, dining, grocery and events.

02

Professionals & social groups

Places to meet and unwind.

Cafés, lunch, fitness and evening dining.

03

Local communities

A welcoming place to return to.

Workshops, markets, gatherings and performances.

04

Regional visitors & hotel guests

A worthwhile short stay.

Culinary discovery, hospitality and signature programmes.

THE LOCAL FAMILY JOURNEY

A family afternoon that grows into an evening.

01

Arrival

Clear parking access and an easy route in.

→

02

Activity

Appropriate play or learning experiences.

→

03

Time Nearby

Parents enjoy a café or browse nearby retail.

→

04

Reunion

Meet again for a meal.

→

05

Shared Moment

A programme at The Veranda extends the day.

Proposed journey. Distinguish shared family activities from children’s activities requiring managed supervision.

THE REGIONAL GUEST JOURNEY

A stay with more of Batam in it.

01

Check In

Settle in and discover the district programme.

→

02

Taste

Explore Indonesian food and seafood.

→

03

Choose quieter leisure or wellness.

→

05

Discover Further

Explore a curated Batam itinerary.

Proposed journey; tourism partner arrangements remain to be developed. Final image is a supplied city reference, not a KALINDO facility.

AUDIENCE & VISITOR JOURNEYS

Different reasons to visit throughout the day.

01

Morning

Breakfast · coffee · fitness · everyday shopping

Build recurring routines.

02

Midday

Lunch · retail · hotel guest activity

Support daytime transactions.

03

Afternoon

Families · cafés · workshops

Encourage longer visits.

04

Evening

Dinner · The Veranda programmes

Strengthen social and culinary appeal.

05

Selected weekends

Markets · collaborations · visitor packages

Attract leisure visits.

Strategic dayparts, not approved operating hours. Timing follows tenant and operator readiness.

TENANT STRATEGY & PROGRAMMING

Anchors attract.
The district extends the visit.

A considered mix, connected by shared experiences.

SHARED DESTINATION SPACE

The Veranda

Gathering, discovery
and time together.

Eat / Shop / Play / Move / Stay

01 **Everyday anchors**
Establish dependable repeat visitation.

02 **Destination anchors**
Give people a clear reason to choose the district.

03 **Experience tenants**
Extend time through activities, dining and leisure.

04 **Discovery tenants**
Add distinctive products and changing content.

05 **Hospitality partners**
Connect overnight guests with the wider district.

Strategic tenant roles; no confirmed tenants. Selection considers customer fit, price range, hours, frontage and neighbouring experiences.

TENANT STRATEGY & PROGRAMMING

The Veranda calendar.

Proposed programming concepts

01

Veranda Sessions

Selected music and performance, paired with dining.

02

The Weekend Edit

A curated market of food, makers and rotating brands.

03

Batam Table

Indonesian chefs and local producers, with opportunities for regional exchange.

04

The Family Social

Creative activities and shared family experiences.

Frequency, scale, capacity, cost and operational plans remain to be developed and approved.

THE FLAGSHIP EXPERIENCE

Batam Table

A shared table at The Veranda.

A changing edition can spotlight an Indonesian region, a local ingredient, a chef collaboration or a regional exchange. Bookable dining is complemented by activities neighbouring tenants can join.

01
Shared dinner

02
Tasting market

03
Chef demonstration

04
Producer showcase

Proposed culinary concept. Potential collaborators and regional exchanges are not confirmed partnerships.

BRAND IDENTITY

A name with the presence of a destination.

Established enough for hospitality and regional appeal.
Welcoming enough for everyday life.

A place.
A presence.
A belonging.

01 **Broad enough**

Represent the entire district.

02 **Memorable**

Easy to speak and write.

03 **Locally & regionally relevant**

Work across local and regional communication.

04 **Flexible**

Span retail, dining, events and hospitality.

05 **Distinctive**

Support a recognisable identity.

BRAND IDENTITY

Four routes.
One shared ambition.

ROUTE 01

Canopy Quarter

Tropical architecture and destination presence.

ROUTE 02

Garden Quarter

Landscape, hospitality and relaxed lifestyle.

ROUTE 03

The Courtyard

A central place for dining, community and social interaction.

ROUTE 04 / CREATIVE RECOMMENDATION

Batam Commons

City belonging and shared experiences.

Belonging to Batam. Open to everyone.

Creative recommendation from the brief, not an approved final name. Availability, legal and linguistic checks remain required.

KALINDO PROJECT

Life comes together. Across the district.

One Place. Many Ways to Spend the Day.
